Your DVD order helps to support the **Baltimore Science Fiction Society**, which brings you **Balticon** each year. For more information, see [www.bsfs.org](http://www.bsfs.org) and [www.balticon.org](http://www.balticon.org)

Balticon video recording, editing and post-production is by  
Eric J Fleischer, MD (Dr Gandalf) [drgandalf@balticon.org](mailto:drgandalf@balticon.org)

**Note on DVD compatibility:** Some DVD players may have difficulty playing a recordable DVD. The Balticon DVDs are burned on the highest quality DVD-R discs, and have been individually tested to be sure that each will play properly. This does not guarantee that all players will handle the discs, especially some computer DVD drives. Most stand-alone DVD players made in the last few years will have no trouble.
